

Backwaters Nature Cruise!

January 16th, 2019

Today we travel to the St. John's Marina located near Deland, FL, where we will begin our journey with a delicious lunch at the St. Johns River Grille. Next we will take a two hour cruise down the back waters of the St. Johns River basin, and we will even travel down an old logging canal! There's lots of nature to be seen, from the many different species of birds, to the rows of turtles sitting on the logs at the waters edge soaking up our famous Florida sunshine. Speaking of soaking up the sun look for the gators to be sunning, and sometimes we might even spot a manatee! Sign up today as space is limited to 49 passengers!

Cost: \$85.00pp

Included:

- * R/T transportation
- * 2 hr nature cruise
- * lunch, tax & gratuity
- * driver gratuity

Make checks payable to Small World Tours. Tickets are transferable, no refunds after 01-02-19
