

Daytona Speedway

February 4th, 2019

Come and join us on a one of a kind tour! Today, we will visit the Daytona International Speedway and climb aboard an open-air tram as you will be transported into a world unto itself: the "World Center of Racing." As you enter the "World Center of Racing", a flurry of action, color and grandeur will explode before your eyes and you'll know that you're on hallowed ground. Experience the 31-degree high banks for yourself as the tram coasts along turns 3 and 4 before finding yourself walking in the footsteps of legends past and present as you climb atop the podium in Gatorade Victory Lane for a photo. Next, access the new Motorsports Hall of Fame of America, showcasing spectacular displays honoring all forms of motorsports: Stock Cars, Sports Cars, Open-Wheel, Motorcycles, Drag Racing, Land Speed Records, Power boating and Aviation. Enjoy lunch at Bahama Breeze before departing for home. You won't want to miss this tour! Sign up today!
