

# A Day at Giraffe Ranch

## February 6th, 2019

Today we will start our tour at Giraffe Ranch. At this amazing facility you'll be conducted through pristine live oak hammocks and ephemeral wetlands in comfort and safety where you'll get spectacular close-up encounters with ostrich, bongo antelope, Grant's zebra, blackbuck antelope, axis deer, warthog, red river hog, pygmy hippopotamus, Indian rhinoceros, scimitar-horned oryx and more unique and endangered species in large herds! Take part in real hands-on interactions with many species that feed from the vehicle. See the beautiful giraffes and feed them by hand in this unique tour! Wear comfortable attire for this working animal farm. After the tour, we will head to Lunch on Limoges for a delicious lunch. At Giraffe Ranch, there will be opportunities to ride a camel, or feed a lemur or otter. These will be offered separately, so bring cash if you are interested. Sign up today! Activity Level 3
