

Morse Museum & Boat Tour of Winter Park March 21st, 2019

Join us today as we depart for Winter Park. Our first stop will be a lovely hour long scenic boat tour of Winter Park located on Lake Osceola. Travel through three of the seven lakes and two narrow, manmade canals on the tranquil Winter Park chain. You will observe large cranes swooping waterside to snag a fish or two or a lazy alligator languishing on a nearby bank. Every tour guarantees plenty of swaying palms, lush ferns and a variety of sub-tropical flourishing flowers. You will also see breathtaking views of opulent private homes and exquisite estates sprawling along the shores. After a delightful cruise you will have time to explore Winter Park where you can stroll through the quaint specialty shops that weave an air of quiet sophistication. Have your choice of lunch (on your own) from the many sidewalk cafés & bistros before doing some shopping at any one of the eclectic shops on Park Avenue! After lunch, we will tour the Tiffany Morse Museum which holds the world's most comprehensive collection of works by Louis Comfort Tiffany which is housed at the Charles Hosmer Museum of Art. The collection includes jewelry, pottery, paintings, art glass, leaded glass windows and lamps. Sign up today for this great day out!
