

John's Pass & Bubba Gump's September 17th, 2019

The "Pass", as locals refer to it, was created by a hurricane on September 27, 1848. A pirate, John Levique, made the first passage through the newly created pass. Hence the name, Johns Pass. Located on the waterfront at Johns Pass, this quaint turn-of-the-century fishing village is Pinellas County's #1 tourist attraction. Over one hundred merchants inhabit the Village with unique retail shopping, a variety of restaurants, the local fishing fleet, dolphin watching and shell-ing tours, boat rentals, parasailing and jet skiing. We will start our day with a Dolphin Quest sightseeing boat tour, followed by lunch at Bubba Gump's Restau-rant, located on the water. After lunch, wander and shop on the boardwalk before we return home. **Space is limited to 40 passengers**, so sign up today!
