

Big Cat Rescue

October 29th, 2019

Big Cat Rescue is one of the largest accredited sanctuaries in the world dedicated to abused and abandoned big cats. They are home to about 80+ lions, tigers, bobcats, leopards, cougars, lynx, servals, ocelots and other species most of whom have been abandoned, abused, orphaned, saved from being turned into fur coats, or retired from performing acts. Big Cat Rescue has many species of cats, many of whom are threatened, endangered or extinct now in the wild. Join us on a one hour walking tour of this amazing facility! After our private tour, we will stop for lunch at the delicious Carne Chophouse. Carne Chophouse is located in the cultural and culinary heart of Tampa, Historic Ybor City. Carne occupies the historic El Centro Espanol Building which once served as the social and cultural hub for Spanish immigrants who worked in Ybor City's thriving cigar making industry. You won't want to miss this interesting and informative tour! Activity Level 3
