

# MSC SEASIDE EASTERN CARIBBEAN FEBRUARY 2 - 9, 2019

Poetry is like the sea, lulling with gentle swells and stirring the emotions. Just as poetry brings pleasure, the magnificent **MSC SEASIDE** cruise ship introduces a new dimension of enjoyment on the high seas. This is the **newest ship in the MSC fleet** guaranteed to wow everyone with her technology & beauty. The first port of call is **San Juan, P.R.** It is one of the largest islands in the Eastern Caribbean, Puerto Rico's landscape encompasses mountain, underground caves, coral reefs, white-sand beaches and an incredibly massive rain forest that supplies fresh water to most of the island. As we cruise along our next stop is **Nassau, Bahamas.** Nassau teems with Bahamian and British flavor. The capital city of the Bahamas boasts miles of spectacular beaches and stretches of vivid coral reefs perfect for snorkeling. Shop, dine, and sightsee, particularly along busy Bay Street, or if you're a James Bond fan, visit the British Colonial Hotel, which was used as a filming location for two of the Sean Connery-era movies. Spend a full day in **Ocean Cay MSC Marine Reserve** as our final stop MSC Cruises has helped this country set up an environmental paradise and an exclusive spot for vacationing in harmony with nature on one of its more remote locations: **Ocean Cay MSC Marine Reserve.** You will see over ten splendid beaches, a vast, calm lagoon, the harmonious lines of the typical houses of a Bahamian village and much more. The crown jewel of Ocean Cay are the **aquatic sport activities**, suitable for adults and children. All this and the satisfaction of knowing that you can relax, reflect and indulge yourself in this once in a lifetime vacation.
