

# CELEBRITY "EQUINOX"

## FEBRUARY 2 - 9, 2019

Join us as we depart from Miami on a voyage bound for the **Eastern Caribbean** on the luxurious **Celebrity Equinox**. See for yourself why the Eastern Caribbean is a place to feel special. Celebrity Equinox is an elegant marvel. She boasts an expanded deck, 72 additional staterooms overall, more seating in the main and specialty restaurants, more sun lounges on the pool deck, and more seats in the theatre. On the Lawn Club, take a painting class with a Master Artist from the ArtCenter South Florida in The Art Studio. Celebrate the flavorful joys of outdoor grilling in the new Lawn Club Grill. Enjoy more than 20 delicious options in the Main Restaurant that are SPE-certified and healthy for you. First port of call **San Juan P.R.** The festive city of San Juan is the perfect place to experience true Puerto Rican culture. Get to know its roots by exploring the vibrant neighborhood of El Viejo San Juan (Old San Juan), which consists mostly of Spanish colonial buildings. Flesh out your self-guided history lesson with a visit to El Castillo San Felipe del Morro, a 16th century citadel that's a UNESCO World Heritage Site. Our 2nd port of call is beautiful **St. Thomas, it** has plenty of opportunities to lounge on the beach, splash in the sea, or amp it up with watersports. It also boasts a bountiful duty-free shopping scene – just be prepared to brave the cruise ship crowds. Charlotte Amalie swells with Danish colonial architecture and pirate legend. Shiver ye timbers at Blackbeard's Castle, then work up an appetite by climbing the historic 99 Steps, constructed from the ballast bricks of 18th century Danish ships. The 3rd stop on our journey is **Punta Cana, D.R.** *This stop is* the very picture of leisure. Several of the courses have been designed by professional golfers, making for the perfect sort of kicked-back challenge that you want on a golfing vacation. The beaches here are simply perfect: calm, warm waters that gently lap at stretches of fine white sand. Thrill yourself with a zip-line adventure, clap along with traditional Dominican music at a cultural performance, or explore the magical lagoons of the Indigenous Eyes Ecological Park. Our 4th and final stop is **Nassau, Bahamas** The capital city of the Bahamas boasts miles of spectacular beaches and stretches of vivid coral reefs perfect for snorkeling. Shop, dine, and sightsee, particularly along busy Bay Street, or if you're a James Bond fan, visit the British Colonial Hotel, which was used as a filming location for two of the Sean Connery-era movies. So treat yourself to a tropical getaway unlike any other on board this beautiful amazing ship.
