

# Safety Harbor Ghost, History & True Crime Tour February 5th, 2024

Explore Safety Harbor's most haunted places! On our trip through this quaint city, learn about various ghost sightings, history, and true crime. From there you will travel to an iconic building in the center of town for some good food and good vibes! Nestled along the banks of Old Tampa Bay lies the City of Safety Harbor, a secret little hideaway, neighbored by the major cities of Clearwater and Tampa; this quaint community of 17,000 people boasts a famous resort, distinctive shops, award winning restaurants & pubs and art in abundance. Once considered a "blessed" location for the Tocobagan Indians and later a "safe haven" during a storm to the Spanish this community typically surprises its visitors by what a "happening" kind of place it is. Our ghost guide will provide a *spooktacular* tour as you visit the area's most haunted spots. In addition, they employ some of the latest ghost detection technology to check in with some of the areas less visible inhabitants. 40 passengers maximum! Activity Level 2
