

Blue Springs Manatees

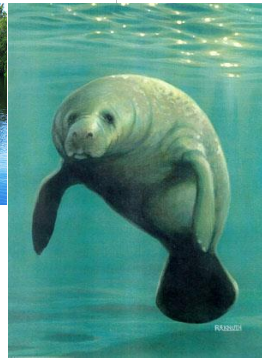

February 8th, 2024

Today we will explore beautiful Blue Springs. This tour begins with a visit to Blue Springs State Park, the winter home of the manatee. First, we will take a two hour scenic boat tour down the St. Johns River where you will see egrets, alligator, water fowl, and of course the beloved manatee. Then spend time communing with these gentle sea creatures and enjoy a leisurely walk along the scenic nature boardwalk. After our boat tour we will head to the wonderful Cook's Café & Bakery for lunch. The baked goods are out of this world and the food is delicious! You won't want to miss this great day out!
