

"Caribbean Princess"

February 9th - 17th, 2025
9 days - 8 nights

Journey with us as we depart from **Port Canaveral** on an exotic voyage bound for the **Western Caribbean** aboard the "**Caribbean Princess.**" Sail away to exquisite places with pristine white sand beaches, warm sparkling seas and colorful cultures. After a fun day at sea, we arrive at our first stop, Cozumel, showing many different faces of adventure, from gorgeous seascapes to jewelry shopping for tanzanite to Chankanaab, the eco park, which is home to dolphins, manatees and sea turtles. We arrive at our next port-of-call, **Majahaul, Mexico**. Here enjoy impressive coral reefs for scuba diving or snorkeling or join a tour to the Mayan Ruins or stroll the beach boardwalk! Our next stop is **Roatan, Honduras**. Spend the day on the island, beach or you can visit a sloth monkey farm! Next stop is **Belize**, where the barrier reef system is second only to the Great Barrier Reef. True beauty under the sea beckons those for this destination. Its reef-lined coast is rich with marine life, while the island shelters nature and its wildlife, which boasts over 300 species of native birds. We are not done yet. We get two more wonderful fun-filled **days at sea** as we return back to **Port Canaveral**.
