

# Royal Caribbean Adventure of the Seas

## Labadee, Bermuda, Coco Cay

### August 16th-24th, 2024

Join us on this incredible cruise on the Adventure of the Seas! After departing Port Canaveral and a day at sea we will make a stop at Labadee, Haiti followed by the rare treat of arriving in Bermuda for two days! There are Bermuda shorts, of course, but local designers, jewelers and artists collaborate to bring unique Bermuda fashion to you! Savor it all from local lobster and fish to rum spiked drinks, cakes and chowders. Explore mysterious shipwrecks or crystal caves, or swim with dolphins. Take a quick jaunt, snorkel, or enjoy a full day outing on one of Bermuda's beaches. Maybe a catamaran sail is on your bucket list! Maybe stroll through a gallery, museum or aquarium. We depart Bermuda for a relaxing day at sea before arriving in Coco Cay and a day of perfect sun and sand before returning home.
