

Museum of American Arts & Crafts & Chihuly Collection March 19th, 2024

This morning we will head to beautiful St. Petersburg, Florida and enjoy a guided tour at The Museum of American Arts & Crafts. The Museum of the American Arts and Crafts Movement (MAACM) is the only museum in the world dedicated exclusively to the American Arts and Crafts movement. Founded by local philanthropist and collector Rudy Ciccarello, MAACM is St. Petersburg's newest museum, featuring stunning architecture, incredible works of art, and an ideal location in the downtown waterfront arts district. Next, we will enjoy a delicious lunch at Rhumba Grille, followed by a stop at the Morean Art Center. Here we will have a guided tour of The Chihuly Collection. This collection is a stunning, permanent collection of world-renowned artist Dale Chihuly's unique artwork. The presentation is unique as it is the first installation of Chihuly art in a building designed specifically for that purpose. It is designed so that the art and architecture work together to create a visitor experience unlike any other! The Collection is marked at the entrance by an iconic 20-foot sculpture created especially for the site. Finally, we will visit the Glass Studio & Hot Shop to see a live glass blowing demonstration. Sign up today! Activity Level 2 Pre menu choice required!
