

Solomon's Castle & Lipizzan Stallions

Thursday, March 26th, 2026

Today we'll experience one of Florida's most unique attractions when we visit Solomon's Castle, home & studio of internationally known sculptor, Howard Solomon. His castle, built by the artist's own hand, contains galleries of his art & more than 80 interpretive stained glass windows. Walk along the magnificent nature trail in the sylvan setting of picturesque Horse Creek. After exploring this labor of love, we'll enjoy a delightful lunch at the Boat in the Moat (advance menu selection required). After our wonderful tour and lunch, we will head to the winter training grounds of the famous Royal Lipizzans of Austria. Here we will watch a presentation of these incredible creatures as they demonstrate the perfect harmony between horse and rider. You won't want to miss this unique tour! Activity Level 2
