

The Solivita Travel Club Presents: Dali Museum & The James Museum August 5th, 2026

Come with us on a fantastic day of culture and art! Today, our first stop is the Dali Museum! Since 1982, The Dalí Museum has served as a hub for world-class art, community and connection. Set within an architecturally iconic building, the Museum invites visitors into the surreal world of Salvador Dalí. The Dalí continues to elevate the region's cultural profile, drawing hundreds of thousands of visitors each year through thought-provoking exhibitions, educational programs, community events and more. Next, we will head to the James Museum Canyon Café for lunch. The James Museum of Western & Wildlife Art will revive interest and passion about the history of the American West. The tenacious spirit of Native American, pioneer and immigrant cultures embodies the history of our country. This museum engages the community, through programs and public events, in meaningful ways to connect and make this narrative relevant to civilization today. The museum features over 500 modern and historic works of art that evoke the spirit of a wide-open frontier and the beauty of life in the American West. You won't want to miss this great trip!
