Let's Go Shrimpin'

September 14, 2021

Our adventure today takes us to the coast of Georgia. Today we board the “*Lady Jane*” - a United States Coast Guard certified shrimping vessel, recently retired after years of loyal service to the shrimping industry. She has been painstakingly refurbished for our cruising pleasure. We'll cruise the protected waters of the St. Simon Estuaries System of the Marshes of Glynn and its tributaries. Our crew will haul in the nets and our guide, a marine biologist, will share insights into the lives of the marine life we welcome on board. We'll explore the culture of this area from shrimp to varied species of fish and so much more. The water views and experiences of our cruise will definitely be a highlight of our day here. Our cruise ends at our lunch destination. Meet us on the porch. Marshside Grill welcomes us with delicious luncheon fare. We'll venture over the bridge to St. Simons Island to complete our adventure. Leisure time this afternoon will be enjoyed at the Pier Village on the Island. A special afternoontreat awaits us at St. Simons Sweets. Take time to shop, stroll, people watch, view the water scenery, or explore the lighthouse on your own. We'll return home with memories of our water adventure.

\$129.00 per person
