

Famous for Wild Ocean Shrimp!

The American Space Museum & Valiant Warbird Air Museum September 22nd, 2022

Today we begin our day with a stop at the American Space Museum! This museum is dedicated to the Space Workers of the Canaveral Spaceport who built the rockets and launch pads that allowed the US to reach the Moon! Our next stop will be at the famous Dixie Crossroads! Dixie Crossroads has been serving the very best local shrimp and fish from Port Canaveral, Florida. Our final stop will be the Valiant Air Museum, founded in 1977 by a group aviation enthusiasts, veterans, and pilots. The Valiant Air Command, Inc. has grown over the past 44 years from a handful of aircraft to a continually expanding collection of over 50 historic war birds from the beginnings of aviation to the present day. You won't want to miss this epic adventure! Pre menu order requested. Menu on the back of the flyer. Activity Level 2
