

SMALL WORLD TOURS SWAMP ADVENTURE OCTOBER 31, 2024

Come with us on another fun-filled adventure!

Our adventure today brings us to the famous **Okefenokee Swamp**, which is considered to be one of the Seven Natural Wonders of Georgia. It is the largest black water swamp in all of North America. From its rich history of Native Americans to settlements of swampers, this amazing wildlife refuge has been protected since 1937. Today we will explore all - riding the train to explore by land - a boat tour in natural surroundings with wildlife to explore by water, and a nature show to meet the animals up close. Lunch will be included here to complete the experience. Come explore nature with us in this one-of-a-kind adventure. You won't want to miss this
