Day Three, Wednesday, April 24th, 2024 B, L

Rise and shine! Today we will say goodbye to Jekyll Island and head to the **Cummer Museum of Art & Gardens** in Jacksonville for a docent led tour of the largest fine arts museum in Northeast Florida. The Cummer was established in 1958, when art collector, garden enthusiast, and civic leader Ninah Cummer bequeathed her art collection and riverfront home to create a museum. Today, the core collection of 60 pieces from Mrs. Cummer's estate has grown to include more than 5,000 works of art. The historic gardens, set against the backdrop of the St. Johns River, serve as a centerpiece of beauty for all to enjoy. We will enjoy **lunch** at the museum before leaving for home.
