

The Amish Way & Our Nation's Birthday

July 19 - 25, 2026

Day One begins with travel northbound with breaks along the way including lunch. We'll overnight in Rocky Mount, NC., Dinner is on our own.

Day Two is our arrival in Amish Country aboard our Amish Buggy - cleverly disguised as a Small World Motorcoach. Our first stop will be at **Kitchen Kettle Village**, a place for sharing laughter, carving out family time, and relishing a Lancaster hospitality experience all rolled into one quaint, walkable village of local cooks, quilters, and shopkeepers looking forward to our visit. Discover unique homemade food, shopping-locally, and favorite name brands along with a warm smile and friendly faces at Kitchen Kettle Village. After getting our feet wet, we will check into our hotel which will be our home for the next 3 nights. After check-in, we will depart for our first of several Amish Meals. Delicious! **B,D**

Our Third Day begins with a nostalgic glimpse of railroading's glorious past at the **Railroad Museum**. We will discover the colorful history and technology of the industry that transformed America along with captivating stories of men and women who built, operated and traveled on the railroads. More than 100 historic locomotives and railroad cars, artifacts and art are on hand to explore. Could this visit be a bit of foreshadowing.....? All Aboard **The Strasburg Railway** as we travel through Pennsylvania Dutch Country as an authentic steam locomotive pulls you past working farms, their Amish neighbors, and beauty as far as the eye can see. Enjoy shopping at the Railroad Store and Gift Shop, as well as time for lunch at the Casey Jones restaurant which is two original P-70 80-ton dining cars that once rode the rails of the Pennsylvania Railroad in the early 1900's. After lunch, its time for a visit to **Lititz**, an Amish Sweet Spot. This stunning cultural melting pot was founded in 1756 by Count Nicholas von Zinzendorf, whom also had founded the modern day Moravian Church. The majority of the homes and buildings that stand in the town date back to this era and are stunningly historically restored, making downtown Lititz a must see. These buildings now harbor many of Lititz's unique boutiques, shops and taverns giving way to shopping and dining experiences that prove impossible to forget. While in Lititz, take a deep breath, and smell the chocolate aroma throughout the **Wilbur Chocolate Store**. Wilbur's will stir delightful memories of yesteryear and put a smile on our face. You can also watch candy makers create delicious fudge. Don't spoil dinner! Our next stop is at **Shady Maple Smorgasbord** where we will discover a unique experience of dining at Lancaster County's largest smorgasbord. What began as a roadside vegetable stand has now become an expansive buffet-style restaurant and a large farm market with its own bakery, smokehouses and impressive produce department. After dinner, explore their gigantic 41,000-square-foot gift shop. We will return to our hotel to overnight. **B,D**

We will start **Day Four** exploring more **Amish Farmlands**. Our **local guide** will meet us as we venture out onto the "Roads Less Traveled" through the heart of the Amish Farmlands. Enjoy picturesque scenery as we meander across country roads where time seems to stand still. See pristine Amish farms, one-room schoolhouses, windwheels, Amish "phone booths" and farmers working the fields. Later, we will stop at an Amish Quilt & Craft Shop, right on an Amish farm! We will have time for lunch and shopping before our special event.
