TUESDAY, DECEMBER 5TH, 2017 D

It's time to herald the arrival of the holiday season with a yuletide-inspired overnight tour. Our journey begins with a leisurely drive to St Augustine, where you can explore the historic George St & have lunch on your own. We will then check in to our hotel and take some time to freshen up before tonight's activities. We'll have dinner at the delightful **Barnacle Bills Restaurant**. Then we will celebrate "**Nights of Lights**", where St. Augustine is brilliantly aglow from balconies to bridges, with thousands of twinkling lights. We'll experience a magical tour aboard the Holly Jolly Holiday Trolley complete with the sounds of the season, as carols stream through the air. You'll be delighted at the festive wonderland of the historic area glittering with over 2 million lights. You will have magical viewing glasses handcrafted by Santa's elves. These amazing magical glasses will enhance the twinkle and glimmer of the lights, making the ride even more special. Visions of sugar-plum fairies are certain to dance in our heads tonight!

In the morning, enjoy a hot breakfast at the hotel before heading downtown to hop on the **Red Train Trolley** and visit any number of stops including the Castillo de San Marcos, the San Sebastian Winery, Pirate and Treasure Museum, or the chocolate factory. Spend your day wherever you would like, but don't miss the extraordinary shopping and restaurants located all over the beautiful city of St. Augustine. We will finish up our day and head for home, hopefully with our Christmas shopping complete!
