

N FL TRAVEL CLUB SLEUTH'S MYSTERY

August 8, 2024

Come join us as we travel to “Sleuth’s Mystery Dinner Theatre” in Orlando. This comedy mystery show allows us to become detectives and solve the crime.

We'll be treated to a hilarious comedy mystery where all the clues are presented, and we help solve the crime. We will enjoy a delicious dinner as we formulate insightful (and not so insightful) questions for a live interactive investigation. After dinner, each table of guests can ask questions and uncover additional clues. It's improvisational comedy that will have us as part of the show and fun. Laughter is always part of the process. Our mystery theatre experience concludes with choice of a yummy “mystery” dessert as we make a final guess as to who committed the crime. Then, watch as our detective will unveil the actual criminal. Fun prizes will be awarded to those of us who are successful Sleuths! **ACTIVITY LEVEL 1**
