

Carnival Venezia

February 15th-22nd, 2026

Discover three countries on this exciting cruise as we set sail from Port Canaveral! We will board the “Carnival Venezia” in the afternoon and embark on our journey to these luscious and tropical destinations. **Grand Turk, Turks & Caicos**, may be small, but it’s packed with scenic punch and historic charm. Carnival cruises to Grand Turk deliver you to an enchanted island outpost dotted with old windmills, grassy trails, and picture-perfect beaches. **San Juan, Puerto Rico** is a Caribbean island and unincorporated U.S. territory with a landscape of green mountains, waterfalls and the tropical rainforest of El Yunque National Forest. It's known for its white-sand beaches and coral reefs, popular for snorkeling, diving, surfing and sailing. El Morro Fort: the huge fort dates from 1539. Its main service was to protect Port of San Juan from pirates. It is named after the Spanish patron – saint King Phillip. The full name of the fort is Castillo San Felipe del Morro. **St. Thomas, USVI**, where you will want to visit the gorgeous Magen’s Bay, true beauty under the sea will beckon with a reef lined coast rich with marine life! Finally, with 2 fun days at Sea you will be able to relax, rejuvenate, or revitalize yourself as we enjoy all the different amenities the ship has to offer. Book fast - space is limited...
